## **AUXILIARY CAP/COVER**

Caps are special ordered to individual measurements and cannot be returned for a refund, so measure carefully. All caps come with the wording "Marine Corps League Auxiliary" embroidered on the cap. Caps are shipped directly to you from the manufacturer and take 6-8 weeks from order to delivery. If there is an error with your order, contact MCLA Headquarters NOT the manufacturer.

Measure the head size by encircling the head slightly above the eyebrows. The newer cap, which is a banana shape, requires that you measure in an oval fashion, higher in the front and lower in the back of the head. (In most cases, members have found that they need to add up to a half an inch to the old measurements in determining the correct size.) Keep in mind that, if you wear a full hairstyle, you will need a slightly larger cap.

### **CAP SIZES**
